

Opening Another Door

Damien Stephen
C.E.O. Dortech (Pty) Ltd

Welcome to Dortech,

At Dortech our mission is “Opening doors”; to this end we strive to provide consistently reliable, cost effective solutions to our market, creating opportunity while maintaining our integrity. Dortech (PTY) Ltd is a proudly South African Company established in 1997, we provide a diverse range of superior quality products and solutions for the door and access control industries.

It is with great pride we launch our new website, opening yet another door to our market, shareholders and team. At Dortech we are all about team and co-operation. It is with this in mind that we offer this new enhancement of our company to the market. Our goal at Dortech is to co-operate with our clients, shareholders, team and partners. We are proudly a member of the Marantec Company Group; allowing access to accumulated knowledge of over 267 years of experience in: developing, producing and assembling motors, gearboxes, housings, electronics and radio products.

At Dortech we believe the cornerstones of any team are respect, trust and care for each other and our markets.

Our Products include an extensive range of Domestic and Industrial Door Operators, Door Automation Controls, Accessories and Access Control Electronics for Southern Africa and Sub Saharan Africa. Our electronic manufacturing facility produces both our own designs and contract manufactured products for the local and international markets.
